Letter to PTO Draftsman: Submission of Corrected Formal Drawing

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

Submitted herewith is a replacement sheet for the formal drawing of Figure 1, corresponding to Figure 1 submitted on August 10, 2000, with the above-captioned application. Identification of the drawing is provided in accordance with 37 C.F.R. § 1.84(c). Acknowledgment of the receipt, approval, and entry of this formal drawing into this application is respectfully requested.

The Draftperson's attention is directed to the fact that the Notice of Draftperson's Patent Drawing Review (Form PTO-948) dated May 9, 2003 has been waived. A copy of this form, wherein in the "Comments" section it is indicated that the PTO-948 is waived effective April 9, 2004, is attached. Also attached herewith is a copy of the current Notice of Draftperson's Patent Drawing Review (Form PTO-948) dated March 31, 2004, wherein it is indicated that Figure 1 is objected to because it contains the words "Figure 1 continued."

It is noted that original Figure 1 consists of two sheets and the second sheet contains the words "FIG. 1 CONT." The replacement drawing submitted herewith is on one sheet only and complies with the Notice dated March 31, 2004.

It is not believed that an extension of time is required, other than any already provided herewith. However, if an extension of time is needed to prevent abandonment of the application, then such extension of time is hereby petitioned. The U.S. Patent and Trademark Office is hereby authorized to charge any fee deficiency, or credit any overpayment, to our Deposit Account No. 19-0036.

Respectfully submitted,
